

An open letter to Prime Minister Benjamin Netanyahu:

ISRAEL: YOU ARE NOT ALONE. WE STAND WITH YOU.

Mr. Prime Minister, you are not alone! Israel is not alone! Millions of Americans stand with you and welcome you on your upcoming visit to the United States of America.

WE stand with your right to secure Israel’s borders without giving away additional land to your openly avowed enemies who do not recognize your right to exist. We recognize that former “land for peace” agreements such as the Gaza withdrawal that ravaged thousands of families from their homes, only served to increase terrorist attacks from even closer range, killing many innocent men, women, and children.

We recognize that the United Nations’ “Peace Plan” is NOT a plan for peace at all, but would ethnically cleanse 400,000 Jews from their homes and lands. No foreign country or UN resolution has the right to decide a nation’s borders.

We acknowledge Jerusalem as Israel’s God-ordained undivided Capital, knowing that Israel’s sovereignty will protect the holy sites of all faiths, rather than allowing them to come under control of Hamas terrorists who hate Jews and Christians alike.

We honor Israel as our greatest and most trusted friend and ally in the region, and are grateful for the vital intelligence and technological advances that have enhanced our own security.

We believe Israel’s ancient prophets who warned of dire consequences to any nation who would divide your land. [See Joel 3:1-2]

Israel stands alone in the Middle East offering a democratic government, our shared Judeo-Christian values, and religious freedom for Jews, Christians, and Muslims alike.

Mr. Prime Minister, be strong and courageous. “May the God of Abraham, Isaac, and Jacob, the God of Creation, bless and keep you. May He make His face shine upon you and be gracious unto you. May He lift up His countenance upon you and your fellow countrymen and give you peace.” [See Numbers 6:24-26]

We, the undersigned, encourage President Obama, the State Department, the Congress, and the American people to stand unwaveringly with Israel to continue to protect her land and security.
