

Senate Majority Leader Mitch McConnell
317 Russell Senate Office Building
Washington, DC 20510

Dear Senate Majority Leader McConnell,

I insist that you introduce, vote on, and pass a Senate version of **H.R. 390, The Iraq and Syria Genocide Emergency Relief and Accountability Act**, so that our nation once again stands with the Christian victims of Islam.

Christian men are being beheaded for their faith, their wives and daughters are being taken as sex slaves, and their sons forced to fight for Islamic armies.

The roots of the church founded by the Saints are being torn out and Christians are being slaughtered using weapons furnished by this nation.

Jesus stopped Saul on the road to Damascus and told him not to persecute Christians.

Under Obama, the United States used that exact same road to supply weapons to Islamists to kill Christians in Syria.

Now that he has left office, please reverse course and introduce, vote on, and pass a Senate version of **H.R. 390, The Iraq and Syria Genocide Emergency Relief and Accountability Act**.
